Artikel info:-

Brad is having some issues with Dario. It's about Lena, Brad's girlfriend. Dario had made some advances on her, clearly trying to pinch her from Brad. The two boys meet at Dario's place to settle the matter between men. Brad has brought along a piece of paper, written by Lena, in which she expresses her wish that the matter be decided once and for all. She wants the boys to wrestle over her. Whoever wins, gets to be her boyfriend. But she wants to see evidence of the battle, so they must install a video camera to tape them while they fight. After having discussed the details over a drink and a smoke, they get to the first round. Dario quickly pins Brad to the floor in what almost seems to be a bully pin. He keeps his helpless opponent pinned, teasing him with erotic innuendo and grabbing his crotch. It almost looks as if Brad could never escape this pin, for he's already been squirming underneath Dario for a whole 5 minutes, and Dario shows no signs of wanting to give Brad a chance to free himself. Over and over again, Brad has to endure Dario's nasty ball grabs and cock-to-face attacks. Dario visibly enjoys this, and he flexes his muscles while sitting on Brad's chest. Only after 8 minutes he releases the exhausted Brad. Having stripped their jeans, they now go into the second round. This time, Brad manages to wrestle Dario to the ground, and avenges himself with a schoolboy pin. But he's not able to maintain his advantage, and soon, Dario has him in his grip again. It seems the second round isn't going to be any better for Brad than the first one. He has to admit that Dario is the stronger, but he doesn't want to lose his girlfriend to him. Instead of giving up, he chooses to put up a tough fight. He endures his lying under Dario, who celebrates this prolonged schoolboy pin with smack talk, cock and ball grabs, and slaps to Brad's face. Eventually, the fight takes on erotic undertones, when Dario starts to massage the pinned Brad, who appears to be enjoying that. Of course, Brad doesn't want to admit it, but he's powerless against his opponent, and so he plays along. He gradually submits to the dominating Dario, who makes him more and more aroused. Brad manages to momentarily escape his dominator's grip, but Dario quickly makes him captures him again, and resumes his erotic play with his slave - as he now calls him. Brad has no choice. He has to submit to his stronger adversary. An intensely erotic match with a hot ending awaits you in Schoolboy Pins XXX.
