The Challenge

Artikel info:-

Tibet meets Wladimir jogging. He can't keep his mouth shut and he provokes Wladimir as he passes. This was surely deliberate as he had already announced in "Outdoor Wrestling Fantasies 4" that he would challenge the Fightplace king. And he should have the potential too, since he is a thoroughly hard and well toned soccer player. Wladimir had also already heard that Tibet wanted to challenge him. Therefore this meeting was like an invitation for an immediate trial of strength between these boys. After Tibet's verbal attacks, as they are already on the way to a nearby meadow, they begin to fight at once. It becomes immediately apparent that this is a fight where no holds are barred; the Fightplace title is at stake. They decide to fight in a boxing ring for maximum freedom of movement. Wladi fights in his tight underpants and Tibet in a thong. The atmosphere is electric when they enter the boxing ring, and after oiling themselves briefly they begin their match. After only a few minutes the fight already becomes so hot that Tibet tears off Wladi's pants. This however doesn't bother Wladi. Quite the opposite; everybody who already knows him is aware that he enjoys fighting nude. Wladi takes his revenge with hard ball grabs and makes Tibet his boy toy. In return, however, Tibet also uses every trick that he has learned during his short time with Fightplace. Exciting and hot action in this roughly one-hour long submission session. And we won't disclose here whether or not Wladimir managed to defend his title!

Play length approx: 60 min.
