The Hotel Boy

Artikel info:-

Gustel and Basti have travelled a long distance to the City of Hannover and decide to spend the night in a hotel. They don't have towels so they ask the bellboy to bring some to their room. Bellboy Benni (a new member of our team) comes shortly after with the towels. He is quite harassed by Gustel and Basti and a fight develops between Benni and Gustel on the bed. Quickly a hot fight grows. Benni can give quite well against Gustel so Gustel asks his friend Basti to come to his assistance. Basti takes over without further ado and shows Benni how skilfully and well he can use his leg scissors (Scissors). Benni has only few chances against Basti and must take any opportunity. From Ball Grabs through Wedgies he gets to know Basti's little tricks until he at last, dressed only in speedos, is thrown out of the room. Then things become really interesting and colourful: Gustel provokes Basti and both deliver a bitter fight. We will not tell you who wins in the end. If you would like to see about 60 minutes of great hotel action with Basti, Benni and Gustel, the best thing to do is to order the film today!
