Looking for a wrestling guy

Artikel info:-

Momo is bent on having a fight this evening and is looking online for a suitable opponent. He tries calling some of his friends, but most have no time - until he rings Jeff. Although busy working in the garden, he accepts Momo's challenge immediately. They arrange to meet in the evening. Jeff is rather mouthy as usual and arrives on time at Momo's, who is already wearing his combat dress; hot speedos. They go up to the loft where they want to fight. No rules, no spectators - may the strongest win! Consequently, right from the beginning they get into a tough fight. Momo has improved tremendously and is no longer as timid as when he started with Fightplace. He really puts Jeff through the mangle, subjecting him to the most extreme wedgies and squeezing all the breath out of him with his strong thighs. Jeff tries everything to fight back, but most of the time without success. However because of this we see a genuine true fight with no show. Both boys really give their ALL! Momo is most of the time the better fighter and he lets Jeff, who spares no effort to provoke him further, really feel this. In the end Jeff has to leave the house bruised and bathed in sweat while Momo triumphs.
