Privat Battle 9

Cat-Nr: PB9 Privat Battle 9

Artikel info:-

Private-Battle 9 is effectively the sequel or a revenge match of Private-Battle 8. Already there Steve and Marius had a hot match in the attic. Steve, the looser from this last match absolutely wanted a rematch against his opponent Marius. We are pleased to fulfill this wish and invited both of them to another fight. The guys warm up with a round of kicker and get in the right mood when Steve mentions the past match. He wants revenge - same conditions: fight in the attic, no audience and only in speedos or briefs. Marius does not waist any time and accepts the challenge. Both guys are confident as we have seen in Private-Battle 8. As soon as they reach the attic they start to attack each other. Marius scores fast with some nice bodyscissors and conquers Steve with a schoolboypin. In the beginning it seems as if Marius is the stronger one again. But Steve bounces back. When he puts Marius through the mill he really enjoys it with his foot on the throat and torturing grips. Over the course of the fight both are getting more and more vigorously and attack each other increasingly with wedgies and ballgrabs. Steve makes an effort not end up as the looser again – but will that be enough?
