Artikel info:-

Sonic is astonished at seeing a pretty girl appearing at the stable. Unfortunately she is accompanied by a guy (Luan) who seems to be her boyfriend. But that doesn't bother Sonic at all. As soon as Luan has left the stable and Lilli stays alone with her horse, he sees his chance to come up to the beauty. He's lucky because she is also interested in him and they arrange a date. Both aren't aware of Luan who observes them. Luan intercepts Sonic and confronts him. They come into conflict about the girl and decide to settle the matter "mannishly". Because the stable is not the right place for such a hassle they head to a bordering field. They wrestle some time for the brace of Lilli, who doesn't realize anything because she's inside with her horse. But soon Sonic is annoyed of the fighting and suggests to leave for a drink. They chat while drinking a beer when Lilli arrives. She pretends not knowing Sonic but Luan confronts her immediately with the scene in the stable. At first she denies everything and calls Luan a liar. The dispute inflames again, this time much harder. Lilli learns about the wrestling on the field and demands a fight about her. Because she's hot for both of them she declares "the winner of the fight will get me and is aloud to f*** me immediately". Tough words from a tender girl. The boys strip to their underwear and start fighting. This time harder then outside, because they don't want to show any weakness in front of Lilli. And she is heating them up, starts stripping in front of them and commands them to use ballgraps and shred the shorts. She wants to see more and she gets more! Who gets Lilli after the fight in the pub is not given away yet. At the end it's, as always in our xxx films, all about sex, love and passion.
