It gets exiting when cutie Holli enters the fightplace fitness room and meets his trainer Cherry for the first time. Holli is thrilled by Cherrys muscles and follows the exercises the 100kg muscleman commands wearing a sexy ringer outfit. When having a break Holli admits how fascinated he is by his trainers muscles and Holli I allowed to touch and feel them. They get into conversation and Holli tells that he like´s to wrestle in his free time. And because he has some experience likes to wrestle a tougher opponent. Cherry is astonished and takes a shot on it. A hot fight starts. Holli has to suffer under the weight but it is amazing how he compensates that with some tricks but also by a good technique and power. Cherry is really keen with his student and strips him down to his tanga. Holli returns the favor and a hot mixture of erotic fighting and energetic action begins.
