Artikel info:-

Two of the toughest guys at fightplace meet for a trial of strength which is especially hard. Shorty vs. Felix for 60 minutes. Felix who is heavier and bigger than Shorty wants to show him who's the boss. Not believing that old school fighter Shorty really got that strong. Shorty is not impressed and fights with tough moves, boxing and putting his opponent into really nasty leg scissors. When the football player closes his thighs it's getting tough for his opponent, he gets short of air and has to suffer a lot of pain. Is Felix able to withstand that torture or even able to prevail? Especially for friends of the hard way it is eye candy to see those two guys sweating and fighting.

Play length approx 59 min.

Snobby Patti is on his way to the toilet when he meets the drunken Felix in front of the entrance swearing around. Felix just arrived from a football match which his team lost. So he's frustrated and drinking. Patti wants to help Felix who crawls on the ground but only gets aggressions and bad words in return. But he just shrugs his shoulders and enters the toilet. Felix on the other side is looking for trouble and takes the chance to provoke Patti more. He follows him to the toilet grabbing him. But he didn't expect Patti's resistance which is intense and so they start a tussle. Patti worries about his clothes and suggest they should head to the fightroom. Felix agrees being certain of victory caused by his beers. When they arrive at the fightroom hard action starts immediately. At first Felix is a bit dazed by the alcohol but soon the observer sees a hard and relentless fight. Both are hard fighters who bring their opponent into brutal and long holds. In "Helpful Snob" you can expect nice long moves and sweat inducing rounds of fighting.
