Tag Team Battle 6

Artikel info:-

Lukas and Hardy versus Bubu and Ryan
We think that on this 34 degree hot afternoon one of the best tag team fights ever came up. The fighters gave evertything despite of humidity and heat. Especially when Lukas and Bubu clash it seems they really want to destroy each other. Hardy and Ryan take it more easy. Not that they didnÂ´t give everything but in another way. Hardy is a dirty fighter, using ballgraps and wedgies. Ryan is still a bit shy but provokes Ryan by slapping his face.
As usual for tag team fights there are also short 2on1 fights and the underdog has to suffer a lot. Bathed in sweat and wheezing both teams fight match after match and you can really see how much fun they have with that fight.
We donÂ´t promise to much - convince yourself!
