Schoolboypins 14 - Decision at the lake

Artikel info:-

It's a hot summer day and Blade (19) dives for a lost trinket. Hardy (18) comes by and admonishes Blade to come out of the water. Furthermore he wants to have what Blade found on the ground of the lake and so it comes to a clash. First they fight in their clothes (Blade in his wetsuit) later only in Speedos. It's a hot fight with a lot of schoolboy- and bullypins and also some good scissors. Although it's Blades first time at fightplace he surprises with some good tricks. The footballer has buff legs and so he is able to keep Hardy on the ground using scissors. But Hardy shows his whole repertoire including ballgraps and wedgies. Blade is surprisingly not impressed by that and keeps on fighting even with nearly shredded Speedos.
