Artikel info:-

In a more than 2-hour " Wrestling Marathon" we present 8 fighters who give their best skills in numerous Fights. Shorty, Lukas, Slavek, Vladimir, Ivan, Danny and two new fighters who celebrate their debut in this great event. Justin is convincing by his huge ability and immediately takes up the challenge with Wladi and Ivan. Marcel who has especially travelled from Bavaria for this evening, shows clearly that it is possible to put on a good struggle against Wladi. Scarcely 18 years old this boy proves combative abilities of the finest. In this evening nobody can hold a candle to him and therefore he is the outright winner of this tournament. This win is very much to the annoyance of Wladi. All the other participants also bring their best performances and you can watch a first-class fight evening with a lot of fun and action.
