Tag Team Battle 8

Artikel info:-

Tibet and Lukas met up for a fight at 8 pm. When they arrived, they noticed that the room is occupied. Bubu and Hardy are still fighting which makes them very angry. The mad guy Bubu didn't want to give up the fight of "Private Battle 12". Later the two teams get in trouble in the hallway. Bubu and Hardy left, but they're not able to accept the offences of Lukas and Tibet. Meanwhile Tibet and Lukas started their first match. Lukas, who started boxing, seemed to be faster and stronger, which gave Tibet problems to control his enemy. Hardy und Bubu entered to start a tag-team-match, which wasn't the best idea of them. The small fighters Bubu and Hardy had to notice on a painful way that they had no chance to beat the giant Tibet. But even Bubu is a hard fighter, who is not afraid by the first impression of Tibet and Lukas. After some painful and hard matches Tibet and Lukas started joking about their enemies. With a little comedy and some punches the match got a little eased up and it was really entertainment to watch.

Play length approx - 56 min.
