Tag Team Battle 9 - Bundle

Artikel info:-

Meeting at the Fightplace flat. That day Tibet came around after a long time. This was his first contact with the youngsters Ramon and Joe. Joe and Tibet already knew each other because of their sport's club. This is the reason why they are in a good relationship. But Ramon is not able to enjoy this prejudice. Tibet's always provoking him. Seems like he's searching for trouble. Hardy is not happy about that. In his opinion it's not fair for the younger boy. In this discussion the four fighters built up two teams, which are going to have some hard fights downstairs in the basement. The two "old hands" Hardy and Tibet began the battle. Hardy, who started up in a really careful way, because of his big respect belonging to Tibet, got some painful moves like Bearhugs, SchoolBoyPins or Scissors. The muscular legs of Tibet, trained by hard soccer matches, are painful and merciless tools for Scissors. They are always changing through Hot Tags, like you usually do it in a Tag-Team match. Because of this all of them could fight against each other. Joe vs. Ramon, Joe vs. Hardy, and so on. The first part is way more calm then the second one. Long Holds, including painful Scissors or Full Nelsons. The second part is heavy and full of action. Very brutal until the end of the fight. Then Tibet was totally going crazy. His opponents were not able to control him, even if they fought him at the same time. To the contrary: every attack let made him more and more mad and brutal. If he grabbed one of his opponents, he punished him with slaps or punches. But a big respect to Ramon. The performance of him was just great. Again and again he started pushing and punching his way stronger opponent Tibet.
