Fightplace Special Moments 6-7

Artikel info:-

This is the sequel of our popular special series with Dave, Phil, Andy, Mayo and Pierre. Dave compete against the older Andy. Both wear tight sprinter shorts. In our Berlin studio both are showing a hot and energetic fight in submission style. Dave, already known from "Dave vs. Babyface"; loves the nude fight and soon both are grappling naked. After some rounds of sweaty fighting Phil interferes. If you have seen Phil in "Mc Wrestler"; you will know that he is one of our strongest and best fighters. Nobody is able to hold a candle to him and he proves this once again by fighting with Dave. Although Dave is as a akrobat and professional gymnast a very good fighter he has no chance against Phil and has to suffer. But at the end there is a friendly finish with shake-hands of the oppenents. The end of the film is much more softly then the beginning. Although Mayo and Pierre enjoy their rip-and-strip-fight and show some ambitions, they are much more interested in feeling the body of the opponent during the match.
