Scissors + Pins

Artikel info:-

When Ramon returns home he has no idea that Jermaine is already waiting for him wanting a fight. But he realizes that soon when discovering the mats. They won´t get friends in this life anymore and so it gets hard. Submission and long holds at its best. Jermaine in his jogger trousers first has advantage over Joe in his slim fit jeans. Soon they get too tight and first rifts appear. Ramon prefers to use scissors and schoolboy pins to fight Jermaine because so he can bring all is weight on the other guy. And so it´s not easy for Jermaine to fight back when he suffering mean muscle riding. A lamp brakes and they don´t care about the rest of the furniture as well. After some rounds it gets hot and they get rid of their trousers. They fight on wearing only speedos and so it takes not very long until you see first ball graps and wedgies. Ramon has upper hand and angry Jermaine tries to get free from the various holds. But Ramon is stronger and slim Jermaine has to suffer a lot.
