Painful Pleasure

Artikel info:-

Moe demands a revenge. The team is already making fun of him and he feels offended. They say he is a loser which is humiliating for him. Especially since he knows that he is able to beat Joe. That is why the two youngsters meet again. This time not in the ring but in the fight room. Moe is wearing blue speedos and wrestling boots. Joe enters the room wearing a bomber jacket and underneath gold. Golden shorts and golden wrestling boots. He is proud and explains that he is the best and so the only one who is allowed to wear gold. After some provocations it gets quite fast and Moe brings his opponent into a headlock. Only because of his strength Joe is able to free himself. The first round is a tie. Round two looks better for Moe again. This time he can keep Moe in a head scissor who has to suffer for some minutes in this bad position. But through his strength again he gets free and brings Joe into a schoolboy pin. He is happy to use some muscle riding since he loves to show his opponent who is the boss in this match. After some equal rounds the warm up is done and it gets harder. Moe starts to play games with ball grabs, cbt, nipple play, wedgies and ass slapping. But Joes revenge is mean, too. Sitting in a schoolboy pin he grabs behind and ties a front wedgie that brings quite something to light. He shows his biceps and punishes Moe with muscle riding and gut punching. But Moe is very movable and after he brought Joe into a headlock he changes quite fast into a schoolboy pin and finally into a bully pin. Now he loves to do muscle riding, face slapping and nipple torture. After a short break the fight continues and Moe sits on the face of his opponent forcing him to smell he manly odors. The fight gets hard but both guys are equally strong. Who has the better condition – or the meaner tricks? It gets more brutal and the ball grabs hurt even when only watching. Now it comes to a decision. Joe throws his shorts away and keeps on fighting only in his tanga presenting even more of his trained body. Suddenly Toni appears. As always very bigmouthed. Moe, still euphoric through his victory, starts to attack him. But Toni has an easy job of it and holds him into a long bearhug. But when he is able to move again he uses gut pinches and nipple torture which makes Toni quite angry. But in the end he is helpless and Toni grabs his balls again and again. Toni loves to show what is between his legs and Moe even has to feel it. Joe, still in the room, is the next victim. But since he could get some rest the first round ends against Toni who is really upset about that. Now he knows no mercy. Holding Joe in a body scissor he ties him up until he is out of air. Now he gets help by Moe. Both youngster fight against the bigmouth. But even 2 against 1 is not easy for the small guys. Toni fights with all his power. And he has a lot of it.
