Privat Battle 17

Artikel info:-

Fabio does some pullups when Bruno appears and hikes down his trousers. Bruno makes fun of the thong he is wearing underneath. That's too much for Fabio who shreds Brunos shirt and throws him to the ground. Fabio works with his strength which Bruno tries to compensate with his wrestling skills. But once the small Bruno is caught into a headlock by the strong arms of Fabio it is really hard to get free. Bruno has a lot of ideas how to do it. He tries to make Fabio surrender by shredding his shorts. But that does not work at his first approach and so he works steadily on the destruction of Fabios shorts. Second round starts good for Bruno. He is able to put Fabio into a strong bodyscissor. But Fabio can free himself after some time and Bruno has to be careful since Fabio is able to counterattack immediately. After some time Fabio's short loose the fight against Bruno's attacks and he has to keep on fighting only wearing his thong. Now he puts Bruno through the mill and into a headlock. But he has not more than headlocks in his repertory while Bruno works with head- and bodyscissors, full nelson, armbar and much more nice moves. Now Fabio realizes that he has to offer more and the fight gets more interesting. The boys bring much more energy in their actions and it gets harder and more unrestrained towards the end. Will Fabio, the little devil, bring a victory back home or is the bigger Fabio able to decide the fight for his favour?
