Another Boy-Toy

Artikel info:-

Someone tries to break into Wladis car right in front of the studio. A bad idea! Wladi catches the masked thief and wants to brace him. But the masked guy has only weasel words and tries to run away. But you could guess that Wladi has something different in mind with him. Since they are alone in the studio he has all possibilities to play. And the masked guy has to be in for it. Wladi promised to give away his car as a present if the masked boy could win the fight. And so Andr   is really motivated and fights really ambitiously. It is not so bad what he delivers in the first rounds against Wladi. But Wladi is just warming up. Than he reaches his peak form and it gets really hot and sexy in the fighting room. As usual Wladi turns the guy into his boy toy. Andr   tries to set some counter attacks and ball grabs against Wladi. But in the end he is without a chance.
