The Big Fight Night 4

Artikel info:-

In the second part of this fight night Joe pulls out all the stops. ItÂ's round number 2 against the bigger Fabio. Joe scores with a mean schoolboy pin and rides FabioÂ's biceps.

But sometimes he is too reckless and does not watch out. And this can lead to real difficulties against a strong opponent like Fabio. JoeÂ's advantage is his power and speed. Those qualities turn the fight into a real trial of strength for Fabio. Even his shorts have to stand the tearing test of their life.

The guys do not save themselves. And show their full program: trampling, wedgies, scissors and pins. They fight for nearly a full hour but I never gets boring since there is no standard action. Great scenes in the boxing ring between two savvy and enormously strong fighters.

Play length approx 53 min.
