Awesome Andrew 2

Artikel info:-

Hot erotic match between newcomer Andrew and another newcomer named Leonardo.

The two practice more erotic banter with sexy holds than serious power play.

But this is also interesting to see, since they do fight in a certain way and in doing so all conceivable facets of

erotic wrestling.

So we get, among other things, facesitting, nipple play and ball grabs.

But also combative attacks, such as ass slapping and spanking, which are especially aimed at the bubble butt of

Andrew, are not missing. Also, as well as schoolboy pins with cock to face.

For fans of the less hard way and of soft wrestling with erotic elements, this is certainly just the right thing.

Those of you who are more into the hard, sporty confrontation, please wait for one of the next fights.

Play length approx 39 min.
