Privat Battle 8

Artikel info:-

Once again there's action in the small flat-share community! Steve comes out of the shower. Dancing to loud music, he doesn't notice that for some time he has been watched by Marius. Now Marius mocks Steve's dance style and both end up in a scramble on the bed. Warmed up by this bundle, they decide to go for a proper match and head up to the loft where mats are laid-out. The moment they arrive they immediately get straight down to business. Quick, agile, flexible and ambitious to win, they attack each other. It's a real treat to watch these two 17-year-old boys fight. Slender and yet quite muscular, Steve makes his Fightplace debut in the best light. He fits in well with the Fightplace Youngsters, with whom Marius also found his place. Cutie Steve, who also works in his free time as a model, gives this fight his all, resulting in hot, exciting scenes with almost all hold variations used. With no great show or bravado there is tough action, next to which the camera is sometimes very close. These takes are awesome! The long Schoolboy pins with muscle riding as well as the torturing leg and head scissors are quite something, and it's a joy to watch the speedo fighting of these two boys. Although Steve is a newcomer and Marius has a little more fight experience behind him, Steve holds his own well and often counter-attacks Marius. He also knows how to defend himself with well-timed wedgies! Private Battle 8 is a thrilling submission/wrestling hour, perhaps one of the finest new films by Fightplace.
