Brutal Mud Combat

Artikel info:-

If you like it really dirty with hard ball grabs and rip and strip wrestling, you can't miss BRUTAL MUD COMBAT. Chesko and Wladi show their rounded skills and obviously love to humiliate each other in the mud. It makes no difference to them whether they attack their opponent with Schoolboypins, Bodyscissors, Ball Grabs or Wedgies. The central issue of the fighters is to make their opponent suffer. It starts quite harmlessly, actually, a quiet and relaxed scene. Then things move to the (mud) ring, after a few minutes they tear each others' jeans and become more and more aggressive. A fantastic fight between two sporty boys is kindled.

Play length approx: 45 min.
