Tag Team Battle 3

Cat-Nr: TTB3 Tag Team Battle 3

Artikel info:-

In a hard fought team match, Florian and Lukas face off against Momo and Marcel. Florian and Lukas have the benefit of their experience from their many Fightplace matches, leaving the impression that no one can hold a candle to them. They have everything - speed, tactics, and technique. First Lukas and Marcel enter the ring. Lukas immediately takes it to Marcel. He does not even let him leave his corner. A quick tag from Lukas to Florian allows both fighters to save their strength and quickly finish Marcel. He has no chance to reach his tag team partner, Momo. After quite a while, he finally succeeds in tagging Momo, but Momo finds he is also hard pressed to gain any advantage over this formable team. Over and over again both Momo and Marcel must suffer under the hard legscissors of Lukas and Florian. There is also plenty of schoolboypins that Lukas clearly takes pleasure in, enjoying his dominate position over his opponent. Only once and a while do Marcel and Momo have any success against their opponents. It is clear who the winners are of this match. Lukas and Florian punish Momo and Marcel with plenty of wedgies, scissors and pins.
