The beginning of Fightplace 2

Artikel info:-

Not only Sven, Mark and Marcel were part the beginning of the Fightingboys / Fightplace era. Also some other good fighters, who we will see in the second part of our little history-series. We dont´t want to hold them back so here is "The second part". In the first round you see two young russian boys: Victor and Arthur. They have not many experience in fighting compared to Sven, Marcel an Dennis, who you will see in the next round. The three are showing nice moves especially in the real-submission-match Dennis vs. Sven. You feel: both boys want the victory hardly. They were followed by Viktor vs Paul and Arthur vs Gustav, russian boys that don´t fear the fight and alway looking good at fightplace. At last we see Nick vs Lee. Unfortunately this fight is not very thrilling because Nic is after few rounds totally exhausted. Lee is making the best of a bad job and tries permanently to attack the exhausted but much bigger Nick and grapple him down.
