Welcome back Jeff

Artikel info:-

It began with a harmless game of tabletop football, but it ended with a tough submission wrestling match. Jeff and Marius were trying out the new tabletop football set in the Fightplace premises. The younger Marius came out victorious, and Jeff didn't like this one bit. Marius had heard from the other members of the Team that Jeff supposedly wasn't the strongest of the lot, and that he had a habit of losing in his matches. This made the well-built Marius confident enough to put on a very cocky attitude towards Jeff. In the end, he couldn't contain his impatience any longer, and he challenged Jeff to a fight. They agree to fight six rounds, each round ending with the loser's submission. They both put up a hard fight, and right up until the last round, there doesn't seem to be a clear victor. All would have to be decided in the sixth round. Marius had expected Jeff to be easy pickings, but he was gravely mistaken. Jeff had done much to get himself into shape during his absence, and it seems that his image within Fightplace is bound to take a 180 degree turn. We're glad to have him back with us, and are looking forward to him appearing in many more matches.
