The Mechanics XXX

Artikel info:-

Tiano works as a mechanic in Dario's little shop. Dario keeps hassling the poor lad, and orders him around in a harsh tone. At one point, the two of them have a talk, and Tiano confesses to Dario that he likes boys. This is an immense turn-on for Dario, and he starts to come on to Tiano, who seems quite upset because of that. He would much rather run away, but Dario won't let him. He grabs Tiano and throws him on the floor, subjecting him to a long schoolboy pin, from which the petite Tiano has little chance of escaping. After a while, however, he manages to get Dario off of him, and a short scuffle ensues. But Tiano cannot fend off his much stronger boss for long. Again and again, he has to endure not only Dario's schoolboy pins, but also his leg scissors. At the same time, Dario tries to stimulate Tiano by skillfully touching him, hoping to make him go "a little further". Tiano puts up valiant resistance against this seduction, but he finally has to relent, so that the two end up letting loose their wild instincts.
