Berlin Hotel XXX

Artikel info:-

Despite the triple-X ending there is also triple-X tough fighting in "Hotel Berlin", with "tough" meaning a hotel fight in true submission style. Without much ado and with no back story, Jens and Jonny enter the hotel room and immediately begin to fight. Still completely dressed, the two opponents go into a clinch and it is clear from the start that this is going to be a tough fight. The boys punch eachothers' bodies and stop at nothing to give eachother a good grilling. Jens is cunning and agile and repeatedly gets Jonny into leg scissors. In the third round the boys strip down to their underwear. Jens is wearing a hot "Borat outfit" and Jonny sporty speedos. The fight becomes more and more aggressive, with boxing and plenty of hard spanking. Additionally, Jens tries to incapacitate Jonny with kicks, some aimed at his private parts. Here are boys who want to fight and who know how to. They pull at their pants and give eachother extra wedgies. In the fourth round we see the first ball-grabs, not gingerly, but full-on. This is followed by attacks such as pressing a sock or a foot in the face etc. After about half an hour the fight turns erotic, and although we still see some great fight scenes these become a little calmer now or end in ball-grabs. As for the fighting, this is probably the best triple-X yet. The rest you'll have to find out for yourself!
