Artikel info:-

Sexy crazy Knut at his best: Charlie is chilling in front of the TV being groggy from playing soccer. Knut is with him, finding no rest. Instead of relaxing, too he fidgets around, does some sport exercises and tries to motivate Charlie to join in. Charlie gets annoyed especially because Knut insults him being too fat and doing not enough body workout. The DVD player starts and shows a fightplace film. Knut starts making fun of Charlies fighting skills. That's enough, Charlie grabs Knut and throws him on the mat. The fight, which will bring some surprises, starts half playfully half serious. Nevertheless Knut gets spanked on the ass he keeps on provoking and challenging. At some point Charlie has enough and forces Knut to surrender. Knut takes it easy and goes to the bathroom. Obviously the wrestling has turned him on and he tries to cool down with a little solo aside. But also a cool shower does not bring the sporty guy down. Wearing only a hot body he calls after Charlie for a revenge which Charlie certainly doesn't deny
