Tim the craftsman

Artikel info:-

Lukas wants his chimney to be repaired and calls a craftsman. Tim the roofer is surprised at the damage and asks Lukas how such a big hole could get into the chimney. He is also surprised at the story Lukas tells him about that damage, Wladimir has put someones head into the hole. Furthermore he is astonished about the mats on the ground. So Lukas tells him that he is actually in the attic of fightplace where a lot of fights have taken place. Tim, who never did something like this, gets curious and wants to try a fight against Lukas. And of course Lukas accepts his wish. So they start some rounds on the mat in tight speedos. Tim who trains in the gym regularly has not a body hard as steel like Lukas but can keep up and counterattack really good. If it's enough for a victory over Lukas you have to find out yourself.
