Beach and Boat XXX

Artikel info:-

Yan and Alex hire a small yacht and sail on the lake. Yan would also like to operate the boat but Alex doesn't let him have the rudder. So the first tussle starts. When the guys cast the anchor to have a swim it escalates. Alex wants to stay on the boat because the water is too cold for him but Yan throws him into the lake. He furiously swims to the banks. Yan follows him. On the beach starts a hot fight between the two Latvians. They strip their shorts and try to dominate the other with schoolboy- and bulypins with hot cock-to-face attacks and long holds. When Yan nearly hosed the smaller Alex he jumps into the water and swims back to the boat. Back on the boat Yan wants to make peace. But not so Alex. He throws Yan on the pillows and starts catching again. Exhausted from the fighting they get slower and the fight changes into love play. They really enjoy to follow their desires under the sky.
