Basement Brawls 3

Artikel info:-

There's trouble again at the fightplace apartment sharing community: Holly just wants to put his laundry into the washing machine when Eddy comes down to the basement and also wants to wash his laundry. His snuggling blanket has to be washed urgently but Holly makes no effort to let his buddy go first. It smells like fighting. Instead of washing the clothes they strip off each others clothes and head for the fightroom. For Eddy it's the first fight at fightplace but Holly has not that much experience, too. He showed his skills in "Wow that's big" but one fight is no proof for a good fighter. Eddy is very slim but taller than Holly and has some tricks in readiness. But is that enough against the ripped Holly? One hour can get quite long, especially when condition is decreasing. The pretty teen has no easy debut at fightplace but he goes above his limits and gives it all. A really nice one hour rip-fight, starting in jeans and shirt ending only in underwear.
