Boys on Board XXX

Artikel info:-

Newcomer and cutie Max goes camping with Alex. The weather is great and so they cavort with their tube on the water. Already on board Alex starts bothering Max. Back on the beach Max wants to chill but Alex leaves him no rest and splashes him with water. That's enough for Max and a scuffle on the beach is about to start. What has started as a playful tussle gets a serious match in front of the camper. It's a powerful tough match and both are not fussy when it comes to strip the opponent. After 15 minutes the fight calms down. Max is exhausted on the ground and Alex keeps on attacking him with cockgraps. When he realizes that his buddy likes this treatment the fight takes a turn and gets tenderly. They make off inside the camper where Max addicts himself to his fantasy while being spoiled by Alex.
