Privat Battle 10 - Part One

Artikel info:-

While Marius works out to toughen his muscles it knocks on the door. Sweet Barney stays outside. He just got 18 and has been thrown out at home. He asks Marius if he could stay overnight. It doesn't really fit Marius because he is expecting his girlfriend to come over. But Barney is a good buddy and so Marius lets him in. Barney slouches on the couch and starts provoking Marius that his workout is in vain. Marius gets hacked off. Because of his fighting experience Marius is confident and challenges Barney for a wrestling match. Both have the same age, weight and size so it's supposed to be an exciting fight. And that's what it gets. Barney surprises with enormous ambition and some tricks though he has not that much experience. Marius uses his feared leg scissors and they make it hard for Barney to keep his pace. He loses a lot of power to free himself out of these scissors and gets weaker. Marius shows no mercy. He throws his opponent through the air, chokes him until he gets sick and is completely exhausted. But Marius keeps on and so the match turns into a punishment fight. Marius grabs Barney by his underwear and drags him through the room, showing his muscles and maltreats him with his feet. Until it rings on the door and Marius girlfriend seems to come by. Barney hides in the bathroom quickly. To be continued!
