Privat Battle 11

Artikel info:-

At special request of our customers we continue the famous Privat Battle series with part 11. This time it's Knut who messes with Marius who allegedly hits on his girlfriend. They head to the mats immediately and start a tough fight. Knut, who otherwise acts rather submissive, goes up with full energy. Marius gets more and more angry by the hard attacks. As soon as Knut is underneath him he tortures him with scissors, wedgies and rides his muscles and uses items which lie around to gag and hit him. But Knut is not really impressed by that and attacks again and again. At the end he even forces Marius to surrender which nobody ever expected. Delighted by his victory he takes a shower where we are allowed to join him till the end.
