Macho Men

Artikel info:-

After checking each other out while smoking a cigarette Shorty and Patti attack each other in a heavy way. Both have developed quite well and belong to the elite fighters of fightplace. Shorty wasn't fighting for quite some time but that's hardly noticeable. He aims a blow as always. Patti is able to defend himself but it's hard for him to stand against the strong and technical outstanding fighter. Shorty is top class. Patti suffers punches and even kicks. Hi tries to deliver out of Shortys scissors even using unfair practices. But is the bodybuilder able to conquer the perfect technician?
