Everything has its price

Artikel info:-

Shorty wants to pick up his scooter that hasn't been finished although it's in the garage for quite some time. Chesko who is the mechanic makes excuses and it comes to a dispute between them. They roll around the workshop but Chesko is worried about his boss to appear and so they head to a meadow nearby. Chesko has to suffer from Shorty's feared scissors. The next day Shorty comes by again. This time the scooter is completed but Chesko demands a completely overpriced check. But he offers to fight about the price because he wants revenge for the fight the day before. Shorty agrees and they head to the meadow again. Will Shorty be able to conquer Chesko again? A fight in jeans and bomber jacket between two of our most famous fighters of 2007.
