The Pleasure of Pain

Artikel info:-

Knut has to settle a score with Momo, who made off with his girlfriend this summer. He wants revenge and lurks in front of his door. Momo is surprised at first but agrees for a fight at fightplace. In the fightroom they immediately start with wrestling throwing and dragging, unmindful of their clothes. And so shirts and jeans are shred after some time. But not enough with that, they go much further. Momo wants to humiliate Knut and so the shreds his slip as well. Knut has to suffer a lot in this fight, cbt, nipple torture and he has to feel Momos cock during his schoolboy pins. Momo uses Knut as his lust toy. You could even get the impression that Knut enjoys this treatment. Maybe his girlfriend was not the reason he returned? See yourself in “The Pleasure of Pain”. Have fun!
