Cat-Nr: FW Farmworker

Artikel info:-

Manni and Randy are helping a farmer with his work and have to mow a meadow. After a short time Manni becomes bored with farmwork and would much rather scuffle with Randy in the meadow and compare strength with him. Both have trained hard for many years in the gym and have developed roughly the same muscle mass. Randy does not want to miss this chance to take the title "Fightplace-King" from Manni and put himself in top position. However, will he really succeed?
