Fit Lads make out

Artikel info:-

Our two fighters, Barney and Joe, are wearing the Scally-look today, and when they meet up on the yard the situation gets out of control, as Joe wanted to get his revenge for the last fight between them. Joe lost that fight, but today he's got his chance. Newbie vs experienced fighter. The beginning of the fight confirms this, as Barney dominates the first minutes without any problems. But Barney has spoken too soon! Joe is out to turn the fight after all the previous humiliation and torture. Barney had always forced him to smell his sneakers, and he had had to endure wedgies and ballgrabs. But now Joe is able to turn. Now it's time for the revenge. Joe gets more courageous and shows us way more nasty tricks than in his prior fights. He gives Barney a spanking, and performs many tricks to get his revenge. Barney gets mad because of this - we've never seen him so angry! Later the fight gets very exciting, because the two opponents have to give everything to win this match. Will Joe be able to conquer Barney this time?
