Wrestling at the lake 2

Artikel info:-

Devin and Moe spent an evening at a lake. There they walked on the beach and had a fun battle, throwing gravel stones. But the good mood turned when Moe nudged his friend into the cold water. Devin was totally mad, but Moe just laughed at him. Devin is about two years younger than Moe, and so respected him a little, but when Moe started being unfair, Devin wanted to get his revenge. A small meadow near the place became their ring to stage the fight. Moe, slim, wiry and very hardened, versus Devin, about two years younger but still very muscular. In the first minutes, both fighters were careful, they checked each other out, but soon Moe dominated with many schoolboy pins. About ten minutes later they took a break to pace themselves. Moe had to use his technical skills to handle the powerful Devin. They performed very nice and very long moves, which turned into pure pain as neither of them wanted to give up. Nice scissors turned into headlocks and we saw some complex moves too, such as camel clutches. Moe also dominated his opponent with several bully pins, which got Devin totally mad. We won't tell you who gave up first. Just enjoy watching the confrontation between the Fightplace youngsters.
