Fightplace Special Moments 8

Artikel info:-

Fightplace once again presents you a hot nude fight. Momo challenges Wladimir to a battle in the ring. That's quite bold of him, but Momo did train hard, and so he thinks that his chances are good. Wladimir laughs at him in disbelief. He thinks of himself as the undefeated King of the Fightplace Team, and he's not going to let anyone push him off his throne. They meet in the hall, take their clothes off, and begin to fight in their hot jockstraps. Momo attacks, but he hesitates too much, his respect of Wladi's prowess is too great. Wladimir takes advantage of that, and he uses every trick in the book on Momo. Momo has a hard time countering and getting a grip on Wladi. He has to endure quite a deal at the hands of Wladi. Ball and cock torture, feet in the face, pummeling with the fist, and much more. The fight ends with a final schoolboy pin, in which Wladi forces Momo to submit. Hot!
