Real Hard Scissors 9

Artikel info:-

Old school fighter Basti meets youngster Jermaine. And we all know scissors and schoolboypins are Basti's favorites. We chose the title for this film since Basti dominates the wiry Jermaine nearly without exception through scissors. And he treats Jermaine not sissified. He keeps him in suspense in many different positions and squeezes nearly the air out of him with his steeled skater thighs. And Basti loves the schoolboypin. Jermaine has to feel his dominance when Basti grabs his hair and brings his face to his cock while grabbing between his legs with the other hand. A real ordeal for Jermaine who is not able to fight back. But he fights hard and tries to set some counterattacks. He has some success and can give at least a bit payback to Basti. Especially the last 15 minutes are extremely hot between those two tough fighters.

Play length approx 70 min.
