Ring of Fire

Artikel info:-

Moe and Hardy are the first fighters testing the new boxing ring. They start with a sparring, wearing boxing shorts and boxing glove. If fightplace would be a boxing company everything would be fine. But we are wrestling. And so the boxing ring becomes a wrestling ring. Hardy does not like the bigmouth of Moe. He appears very overbearing, pretending he is the king. And that's what Hardy doesn't like at all. He puts the cutie into a bearhug. And since the thaiboxing shorts are not wrestling style both get rid of them and continue in their slips. Moe starts with a lot of power and a nice schoolboy pin. He tries to jar Hardy with lewd moves. But Hardy plays the game and bites into Moe's balls. And he keeps a focus on Moe's crutch. We see cock and ball torture at its best. The fight even gets bloody - don't be scared. Hardy really puts Moe through the mill but has to suffer a lot as well. Moe also knows no mercy. He chokes his opponent and grabs Hardy's balls. But Hardy prevails. He even has regards for Moe but when he punches his stomach, Hardy gets upset and Moe has to suffer a real massacre with wedgies, ass slapping and trampling torture. Hardy presents his steeled biceps in a victory pose. Ring of fire - it can't get hotter in the ring.
