Tit for tat

Artikel info:-

Joe brings his friend Franky to the fightplace studio to teach him some tricks and show him how to fight. Here they meet Moe who trains on the boxing sack. The old enmity between the two outcrops immediately. They simply don't like each other. But Joe keeps calm and hunts Franky on Moe. He should put his opponent through the mill. But that was not a good idea. It develops right the other way around and Moe gets even wilder through his dominance. Franky is surprised about that fighting style and also a bit terrified. He has no chance to fight back and has to suffer wedgies and ballgrabs without any resistance. Joe watches this disaster and decides to interfere. What follows now is hard and hot. In Underwear Attack Joe learned how to shred shorts and now he tries those skills on Moe. But Moe is really turned on by that and it gets even hotter. The next minutes should not be missed by any fightplace fan! If Joes power is enough again to tame this wild Moe in his peak form will be seen at the very end.
