Raunchy Rastle

Artikel info:-

What startet playfully with some handstands and seemed to be a friendly banter ends in a hard fight with mean tricks and bad grabs. Nipple torture, anal penetration, cock to face, oil, rip and strip, gut punching, ballgrabs, wedgies, choking, bondage, gagging, boxing. Some keywords that describe only some varieties in this fight. It seems as if both fighters have learned by watching Wladis fights. At least that fight has some perversities like they happen at fights with Wladi. Knut and Joe work themselves up into a real fight orgy. They forget everything around them and their only goal is to finish the opponent. The finish is quite brutal and ends for one of them nearly with a k.o.. And both end completely naked.

Play length approx 55 min.
