Artikel info:-

Since his debut fight at Fightplace (Privat Battle 14) against Moe several years passed. Now Stefan meets his opponent again. Moe brings some parcels that have been accidentally delivered to him. Stefan is waiting for that delivery for quite some time. It's clothes he has ordered for mountain biking. Since Moe is there he asks him in to review the stuff. Stefan tries one part after the other and Moe should check whether he looks good or not. He does that for quite some time but at one point he gets a taste for it. He wants to have those cool clothes as well. He provokes him into a fight for the bikewear and Stefan agrees. What follows is a tough fight for victory or the clothes. Stefan who lines up in loose sitting red glossy shorts has not forgotten anything and acts as fast and agile as in the past. So Moe, in his black Calvin Klein slip, will have a tough time to defeat his opponent and snatch the apparel. Scissors and Pins because we see some nice schoolboy pins and scissors in all variations. Stefan's loose shorts offers some nice insights and also all friends of ball grabs and wedgies will definitely get a good catch.
