Sexy Sporty Santa

Artikel info:-

At this year's Christmas party, Olek dressed as Santa, and little Christoph are having fun. What begins playfully and as a scuffle on the sofa continues in a hot fight on the mat. In the beginning the fighters carefully check each other out and gradually approach harder action. The well-trained and more powerful Olek dominates the fight, but has a challenge with the bitches and the speed of little Christoph. Again and again the little one attacks from below, grabs Olek's legs and brings him down. From the middle of the fight it gets wilder. The sweat runs out of the pores and as a defence ballgrabs and other nasty tricks come into action. The fight reaches a further climax when they shred their pants and start wrestling naked. In hot schoolboy pins, Olek shows all the strength and power he loves to wield on the little Christoph
