Artikel info:-

2 new faces, who are a bit shy to enter the clubrooms of Fightplace in the beginning. But then they encourage each other and knock timidly on the door. Fabio is there and opens the door for the two boys. After a short interview it turns out that one of the newcomers is very convinced of himself. We are talking about Samuel (18), who thinks that he can take on any of the Fightplace team. Hector (18) on the other hand is a bit shy and holds back with such announcements. After big speeches actions should follow. Fabio absolutely wants to test Samuel. They head to the next room for fighting. Hector just watches the boys at first. In his debut Samuel delivers a good fight. He already has a few tricks up his sleeve and his strength holds up well with Fabio who has it pretty hard with his opponent. But once he's got a firm grip on him, he won't let go. After a while, Hector takes over from Samuel. Now the little one has to show what he can do. Still shy in conversation at first, he shows that he is quite capable with bigger ones when it´s about fighting. Fabio is also surprised at Hector's good fighting technique. At the end Hector and Samuel show their skills in a fight against each other. There is potential in both new fighters. Certainly there is still room for improvement but for the beginning we were pleasantly surprised.
