Artikel info:-

Jermaine trains with Hector at the weight bench. Both want to pump up their muscles to impress Jermaine's girlfriend Roxy, who is also there. When Jermaine goes to the bathroom during the workout, leaving his girlfriend and workout partner alone, Roxy makes a pass at the cute Hector. She finds his biceps totally hot and wants to kiss him. Hector feels flattered and lets the come-on go over him benevolently. But the two overdo it a bit and lose track of time. When Jermaine returns, he notices that the two are flirting. It's clear that Jermaine gets angry and blames Hector. However, the blame lies with Roxy, because she wanted it to come to the confrontation of the boys. Hence then her suggestion that they both fight over her. The winner gets to spend the rest of the evening and night with her. The boys go along with her deal. A fight for the girl ensues. Jermaine, who has not fought for a long time, shows in this fight that he has not forgotten how to fight. He still knows how to use his legs very well and always finds an opportunity to get Hector in a Legscissor. His thighs are well trained, so that he can almost break Hector's ribs with it. His other specialty is certainly the schoolboy pin, as he also likes to use this trick again and again in this fight. He dominates Hector in almost all rounds and enjoys his superiority to the fullest. Jermaine is back!
