Check the new one 13

Artikel info:-

It's Moe's turn to check out a new fighter. His name is Hassan, he is 16 years old and has already gained some fighting experience in private fights with his friends. He certainly doesn't lack self-confidence, because when he meets his opponent Moe, he has quite a mouth on him. Moe is happy about every new opponent, and especially about those who think they have an easy game with him. Hassan has fighting experience, but at only 16 years old he is still very young and also has a very petite build. Like Moe, he does not weigh much. Nevertheless, Moe does not go easy on him. He should learn quickly and feel what tricks are possible with fightplace. So he has to undergo gutpunching, wedgies and other ordeals. But already in his debut at fightplace Hassan shows himself very well, returns the favour with similar tricks and almost tears Moe's thong in the process. We are curious to see how he develops and look forward to the next fight with Hassan.

Play length approx 55 min.
